	 <p>The screenshot shows a Teams meeting interface. The main content is a presentation slide from National Taiwan University of Art. The slide title is '國立臺灣藝術大學 資安專業教育訓練' (National Taiwan University of Art Information Security Professional Education Training). The subtitle is '資安稽核矯正預防' (Information Security Audit Correction and Prevention). The presenter is Alex Arita, with contact information alex@ajita-info.com. The date and time are 2024/12/05, 14:00-16:00. The slide also includes the Ajita Information Corp. logo. The Teams interface shows a video feed of the presenter and a list of participants including 蘇, 林, 游, and 林.</p>
	 <p>The screenshot shows a Teams meeting interface displaying a presentation slide titled '7.網路印表機預設帳號密碼' (7. Network Printer Default Account Password). The slide content includes two browser search results. The first result is for 'HP 印表機預設密碼' (HP Printer Default Password), stating that the administrator's default password is 'admin' and that users can use a passwordless mode. The second result is for 'EPSON 印表機預設密碼' (EPSON Printer Default Password), stating that the administrator's default password is '機器序號/製造號碼' (Machine Serial Number/Manufacturing Number). The Teams interface shows a video feed of the presenter and a list of participants including 蘇, 陳, 鍾, 陳, 葉, 梅, 林, 林, 文, 秦, and 葉.</p>
